

How to View & Download Your Recital Photos & Videos

Welcome to your Duet Recital Media Collection! Follow the steps below to access your memories.

Viewing Photos & Videos

1. Click the Photo Gallery or Video link below.
2. If Dropbox asks you to sign in or create an account, look for:
 - Continue to Website
 - Or Continue with Download Only
 - Or the X / Close button on the sign-in pop-up
3. Photos and videos should open directly in your browser.

Downloading Individual Photos

1. Open the photo you would like to save.
2. Click the Download button (top right - arrow pointing down).
3. Select Direct Download or Save to Device.

Downloading Entire Folders (Desktop Recommended)

1. Open the folder.
2. Select Download.
3. Dropbox will prepare a ZIP file containing all items.
4. Open the ZIP file after it downloads to access your media.

Mobile Users

- Photos: Press and hold the image to save, or use Download.
- Videos: Allow a few moments for larger videos to load before downloading.
- For best results when downloading large files, we recommend using a computer.

Having Trouble?

If you receive a sign-in screen, do not create an account unless you want one—look for Continue to Website or close the prompt.
